Topic	Discussion Points	Action Items
April education sessions (F2F plans if no bootcamp offered? If so, best dates?) <ul style="list-style-type: none"> ▪ What topics? <ul style="list-style-type: none"> ▪ Interfaces generated from EVS 3.2 model ▪ QA/Test Activity ▪ Deployment Process ▪ Adapter Implementation ▪ What education from Mayo? 	<ul style="list-style-type: none"> • Frank has contacted Leslie, who is responsible for coordinating the bootcamp. But the next one isn't until mid-summer. Frank and Johnita will have a call with Leslie & Diane about this to see if we can get this. Get topics for bootcamp that we'd want covered. • They usually have a set agenda. Items include: Big picture from modeling and what happens with SIW; Grid component; individual Core pieces, etc. • Tentatively the week of April 28th (specifically April 30-May2) for NCI/Mayo training. This depends on any news on the bootcamp. 	<ul style="list-style-type: none"> •
Annual Meeting Submissions <ul style="list-style-type: none"> • What Topics? <ul style="list-style-type: none"> ▪ Modeling ▪ Grid ▪ Paper Submissions 	<ul style="list-style-type: none"> • NCI asked if we're talking with Harold about a Wiki presentation. • We'll have to discuss further. 	<ul style="list-style-type: none"> •

LexEVS Meeting Agenda/Minutes

<ul style="list-style-type: none"> ▪ Joint Presentations - perhaps EVS and LexBIG API convergence? 		
<p>Opportunity for comment on LexBIG prioritized list of bugs and feature requests (attached)</p>	<ul style="list-style-type: none"> • Did talk to caDSR people last week and encourage them to add any bugs to the EVS list. Haven't seen these yet but we'll have to keep an eye out for this. Johnita said there are a couple out there on the EVS API Gforge site. There are 4 new ones out there. • Tracy added a couple to the features list. 	<p>We'll go out and take a look at these.</p>
<p>Status of local EVSAPI installation/configuration issues (Satya/Tracy)</p>	<ul style="list-style-type: none"> • Satya is loading the Metathesaurus and once that's loaded he'll retest it. 	
<p>GForge item #10884 status (Harsha)</p>	<ul style="list-style-type: none"> • They are still working on 10884. They're close. They should know if the approach will work by the end of this week. 	
<p>How to get full SMQ documentation?</p>	<ul style="list-style-type: none"> • Some of the documentation is proprietary and we're looking for a way to get this info. • Frank will get us Stephanie's information for us to follow up on, in case they do need it. • Frank will also verify if the MedDRA users need this. 	
<p>Adjourn</p>	<ul style="list-style-type: none"> • Thank you for your participation!
